Matsu...

YOU QUALIFIED
Pres.
From this day onwards you are officially a member...
of our Group.

If you want to be part of the Craft club You must pledge loyalty to the President
That was just a little test for the real entry to the club!
What the heck is going on?
わっ
Don't tell me..
Haaray!!
Our tactics are a little harsh,
We didn't expect you to react with that much anger
It was clear for every one
Which part of you is I had to loyal? act the part!
You're pissing me off!
You idiots, It's enough If I approval of his status, There wasn't a need for any pledges of loyalty
That you genuinely wanted to protect the President
To create any craftwork, requires a dedicating type of passion, straight from the heart.
Really
You guys have all witness the "passion" Matsuda-kun has placed into his creations.
It's not like he is completely hopeless
What I want in members, are people with passion in their hearts!
Matsuda

That means I will be able ta stay
Well then,

Be at ease, from now on I will ensure that I am the one who loves Kurone Sempai the most!
